I Anthony J. Perrotta, CPA, MST am delighted to introduce the expansion of my business. Firstly, I thank you for your support in the past years and would like to let you know that I will be offering a new service of **“Private Accountant”** with my accounting business. This service that I am adding will enhance my other services and has excellent features that will be fit for customers of all ages and professions.

My aim is to provide services to enhance efficiency and convenience. You are probably wondering what a **“Private Accountant”** means and what can be offered. A **“Private Accountant”** helps with your finances in many ways like Recordkeeping, Bill Paying, Budgets and Finances.

The benefits of a **“Private Accountant”** include offering services like a Balance Checkbook Service, a Pay Bills Service, a Budget Coaching service and a Financial Management service. If you are frustrated that your debt doesn't seem to be decreasing and your savings are not increasing than I can help. Sometimes you might just need a little help with finances to get through these difficult times.

Covid-19 has disrupted many of our lives and finances. If you are stressed over finances or know of someone who needs help with finances let me know or give them this letter. You can also contact me through my website www.anthonyperrottacpa.com.

I hope for your continued support and as always I am happy to serve you. You shall always be a valued customer.

I hope you are safe and healthy in these trying times.

Best regards,

Anthony J. Perrotta, CPA, M&T
